MEMORANDUM FOR: Members, ABM Special Study Group

SUBJECT: GMAIC Input

1. Attached is a draft of GMAIC's response to the request for estimates of relative value of various types and accuracy of information about Soviet ABM systems. I am very pleased by the promptness of response and the content of this draft. I believe that GMAIC is to be commended for their efforts.

2. I hope you will be prepared to discuss this paper at our 10 a.m. meeting on 15 March 1968.

Chairman, ABM Special Study Group
